

# CLOSETS LAS VEGAS

## Closets Las Vegas is a Contractor's Best Friend for Easy and Ongoing Profits

We offer you all the necessary tools and support to add profit to your next job. And it couldn't be easier.

### The Method:

- We offer a **solid brand** that consumers recognize and trust.
- We provide you with **marketing materials** to pass on to your customers.
- You can **promote and sell these products yourself**; or your customer can use our **“Design Now” tool online** and design their own solutions. (If they do create their own design with our “Design Now” feature, they can print a complete list of the parts needed for their closet design, too.)
- You **order** the parts from Closets Las Vegas.
- **We cut and prep** your order.
- You **pick up**, or **we deliver** it to your job.
- **You install** – Quick and easy, because our products are manufactured to be installed properly and securely in only a few steps.
- **Or we design and install** - Save yourself time and labor. We'll design, measure, order, prep, deliver, and install. Then you collect the referral fee.

### The Benefits:

- Organized Living products **bring value** and distinction to your business, **meeting** industry trends and **consumer demands**.
- Our products can be **adjusted**, and readjusted, with ease to suit your customer's needs, offering them **self-sustaining storage solutions** that put them in control.
- It's versatile. You can customize organization systems to **fit any budget, use or style**.
- Our system **frees up floor space** to give home owners more room. Custom storage systems **maximize the capacity of storage areas**, increasing **storage space by nearly double**.
- Closets Las Vegas products can **add value to a home**. Our melamine system is a significant upgrade from other home organization systems.
- Our **green features** contribute to more LEED points than any other shelving system so our products are great for environmentally-conscious clients.

# CLOSETS LAS VEGAS

**It Doesn't Get Any Easier Than This.**

## Learn

- **We'll Teach You All You Need To Know To Sell Our Products**
- You'll learn why our 3 Organized Living product lines are so successful. (Lifetime Ventilated Wire, freedomRail adjustable, furniture-grade Classica)
- Show you how to promote, estimate and sell storage and organization systems for your customers that is better than anything they'll find at the "Big Box" stores.
- Teach you the proper installation techniques that will help you avoid customer call-backs for service.

## Buy

- **Wholesale Cash & Carry**
- There's no need for you to maintain an inventory or make high-volume purchases to become a dealer.
- Order your parts and materials through Closets Las Vegas and you'll avoid warehouse costs, cutting tools, pallet racks, workbenches, and labor for job preparation. We'll do all that.
- You simply sell your existing customers something they already want – then install.

*Over 7,000 homes installed  
(that's 35,000+ closets) -  
with only 2 customer service calls.*

## Refer

- **Referral Program**
- For those contractors who simply want to offer their customers the storage and organization options they want – with little effort on your part – our Referral Program is just the ticket.
- We'll meet with your client, estimate, measure, create 3D drawings, order and cut materials, get deposits and final payments, schedule and complete the installation – and you sit back and earn a referral fee for each sale.
